

Frozen Toes Pond Hockey Tournament Rules.

6 players per team.

4 on 4 with two subs.

No goaltender or goaltending permitted.

You cannot block the net with a stick laying in-front of the net and a player can not lay in-front of the net

No shots above the knee are permitted, if shot is made in an aggressive manner the player will receive one warning to the team captain, a second time and the player will be asked to leave the tournament.

A change of players is done "on the fly"

Games are 25mins in length.

Games begin on the hour and at 26mins after the hour sharp.

If a team is late the other team is awarded 1 goal per minute that the other team is late.

The ice is flooded at 10 mins before the hour. All players must remain off the ice during a flood.

The only time a face off occurs is at the start of the game.

After a goal has been scored that team will clear the zone and skate back to the red line or mid way of the rink, the same as 4 on 4 hockey. Once the last player has crossed then you may go back in.

Your team can not cross over the line until the puck has been removed from the net

If a puck is shot or a missed pass occurs and is off the rink the other team is awarded the puck.

This is a fun tournament and is a fundraiser for the Castleton sports club to maintain the rink and operate its programs

Any aggressive behaviour, fighting or verbal abuse to anyone will not be tolerated.

That player will be automatically asked to leave the tournament, your money will not be refunded.

If weather becomes an issue during the tournament the tournament maybe called.

Yours in hockey,

The Castleton Sports Club
